Serial Number:

FCC compliance statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of this device. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter. The Bluetooth antenna cannot be removed (or replaced) by user. This equipment complies with FCC/ IC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines and RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment has very low levels of RF energy that it deemed to comply without maximum permissive exposure evaluation (MPE). But it is desirable that it should be installed and operated keeping the radiator at least 20 cm or more away from person's body (excluding extremities: hands, wrists, feet and ankles). Alteration or modifications carried out without appropriate authorization may invalidate the user's right to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the F CC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: □ Relocate or reorient the receiving antenna. □ Increase the separation between the equipment and receiver. □ Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. □ Consult the dealer or an experienced radio/TV technician for help.

Caution

Adjustments or alterations of this device may result in hazardous radiation exposure.

Caution

Precautions

BE SURE TO OBSERVE THE FOLLOWING GUIDELINES: Do not turn up the volume so high that you can't hear what's around you.

Use caution or temporarily discontinue use in potentially hazardous situations.

Do not operate mobile video equipment while driving a motorized vehicle – safe driving and safety consideration of others should always be your highest priority.

Set your volume control at a low setting, then slowly increase the sound until you can hear it comfortably without distortion, or ear discomfort.

In the event you should notice smoke, strange noises or odor from this product, or any other abnormal signs, immediately turn off the power and consult your dealer or the nearest authorized **PLANET AUDIO** Service Center.

Using this product in this condition may result in permanent damage to the system.

Installation Precautions

Planet Audio does not recommend to install the product yourself.

We recommend to have it professionally installed by a certified professional.

Always consult with a professional installer .

Do not attempt to install or service this product by yourself. Installation or servicing of this product by persons without professional training and experience in electronic equipment and motorized vehicle accessories may be dangerous and could expose you to the risk of electric shock, injury or other hazards

Refer any repairs to a qualified PLANET AUDIO Service Center

Before Installing

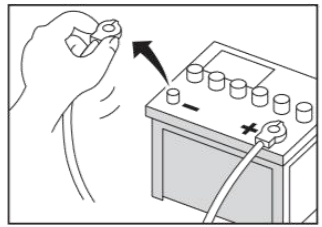
To avoid potential shorts in the electrical system, be sure to disconnect the (–) battery cable before installation.

Use this unit with a 12-volt battery and negative grounding only. Failure to do so may result in a fire or malfunction.

CAUTION

RISK OF ELECTRIC SHOCK
DO NOT OPEN

CAUTION: TO REDUCE THE RISK OF ELECTRICL SHOCK, DO NOT REMOVE COVERS.
NO USER SERVICABLE PARTS INSIDE. REFER SERVICING TO A QUALIFIED SERVICE PROFESIONAL



Product Safety

It is against Federal and Local laws for video to be viewed by the driver while the vehicle is in motion. This video product was intended to be used with the parking brake safety feature. Video cannot be seen without the proper parking brake powered connection. Tampering or disabling this feature will void any and all warranty. Please check with a professional installer to have your product installed properly.

Important Note

Due to ongoing enhancements, example images on screens may slightly differ from actual product.

Caution

Images and Video

Watching video while driving is against Federal, State, and Local laws.

Drive safely, know and obey traffic rules. Watching this screen and making selections while driving can lead to a serious accident.

Check surroundings for safety while camera images are displayed.

Do not use features of this product while driving if it cannot be operated safely and legally in your location. Before operation of smartphone Apps accessible from this device, read safety instructions in your Owner's Manual. When using navigation Apps stay alert to observe real world conditions.

About this manual

To entirely understand how to properly use your new Planet product, it is recommended to read this entire user's manual, and keep it in a safe place for future reference.

-Read the entire manual

-Keep the manual

-Follow all instructions

-Clean with a dry cloth only

-Do not use or operate near water

-Do not defeat any safety features

California Residents (Proposition 65)

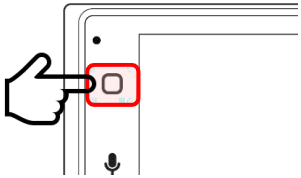
Power On /Standby



1. **Touch** once to Power ON
2. **Touch** and Hold for Standby

NOTE

In Standby Mode, the LED will slowly pulse on and off.

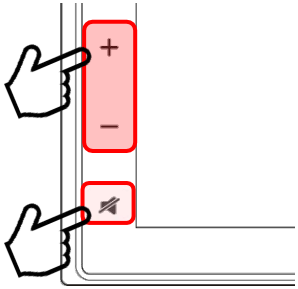
Volume

1.Touch once on either “+” / “-”

2.Touch and Hold for quicker operation

Mute

1. **Touch** to Mute



Power On /Standby

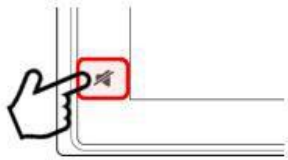
1. **Touch** once to Power ON
2. **Touch** and Hold for Standby

NOTE

Apple CarPly or Android Auto must be active

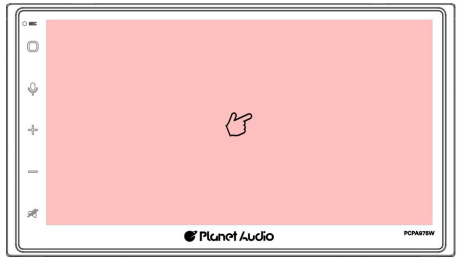
Display Off

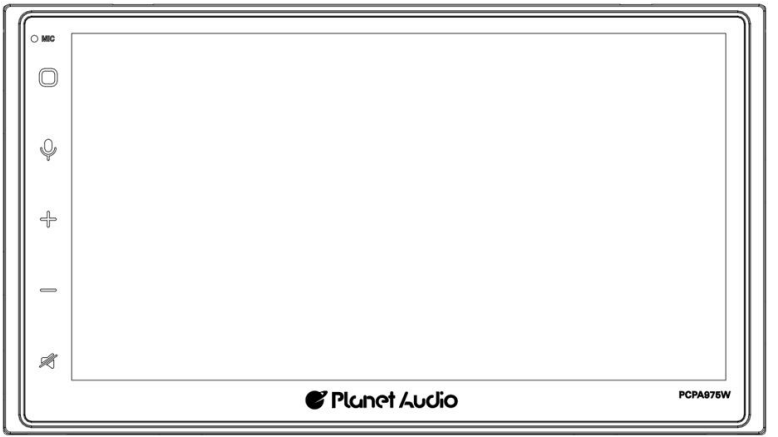
1.Touch and Hold Mute



Display On

1.Touch the display to reactive





Use:

This head unit utilizes a Capacitive Touchscreen, the same type that is used on high-end mobile devices. It should be used for and cared for like that type of device. As with all capacitive type technology, if your fingers are wet or sweaty, it will not function properly.

Do not allow any sharp objects to come in contact with the screen glass.

Care and Cleaning:

To clean the screen, use a dry microfiber type cloth to clean. Do not use ammonia, window cleaner, or any other type of household chemicals to clean the screen. Abrasives should not be used at all.

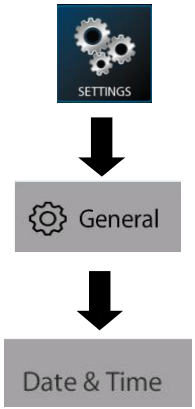
Setup Option A: Apple CarPlay Method

Connect your Apple ® device using a Lightning® cable*. The CarPlay USB port mustbe used.

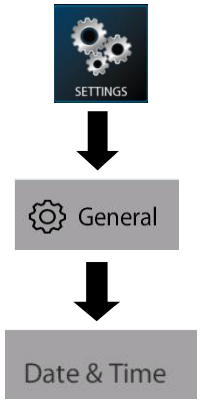
This will automatically setup the time and date.

User must set Time Zone manually.

Default is Pacific Time Zone



Setup Option B: Date and Time



Additional Setup see *pg. 27*

Apple CarPlay

Using Apple CarPlay

NOTE

Apple CarPlay usage is limited while driving.

Functions, contents, and usability is determined by the App provider(s).

Controls will vary with each App that is available for CarPlay.

For more details visit:

http://www.apple.com/ios/carplay

WARNING

Familiarize yourself with your Local and State laws regarding mobile devices.

Certain functions of an iPhone might be prohibited and or illegal while driving in your location.

When in doubt, park the vehicle and engage the parking brake first before performing the function(s).

For other cautions and warnings see ***pg. 9***

Connecting to USB Port

1. Connect the CarPlay compatible device via Lightning® cable (not included).

2.The iPhone will load the CarPlay function.

3.On the display, the CarPlay will illuminate green, touch it to enter the CarPlay menu.

4.To return to the product home menu

Touch

Radio

Wireless connection

1.When connected to Bluetooth, CarPlay will be reminded to load.

2.The iPhone will load the CarPlay function.

3.On the display, the CarPlay will illuminate green, touch it to enter the CarPlay menu.

NOTE

The product's Bluetooth will turn OFF Automatically when CarPlay is in use Hands-free phoning will function through the CarPlay feature.

When using CarPlay, there is no need to pair your iPhone, the USB cable connected through the USB Port will enable this feature.
If other devices are connected via Bluetooth, they will be disconnected for the duration of CarPlay use.

Gestures & Control

Basic controls, but not limited to:

Touch

Swipe

Dragging

Other gestures and controls might differ on each App.

NOTE

Volume control is handled exclusively by the product.

Wired and wireless Apple CarPlay

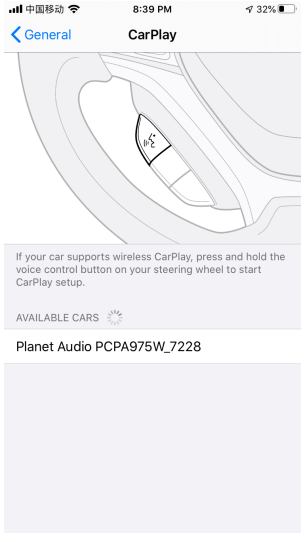
Using CarPlay

CarPlay Display Setup

1. Using your iPhone:
2. Settings > General > CarPlay

3. Touch and Hold each App icon to move.

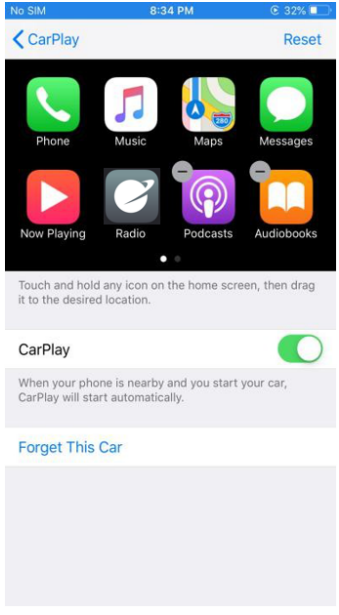
To remove an App, **Touch** −



NOTE

Only Apps with the − icon can be removed from CarPlay.

To **Disable** other Apps see ***pg. 15***

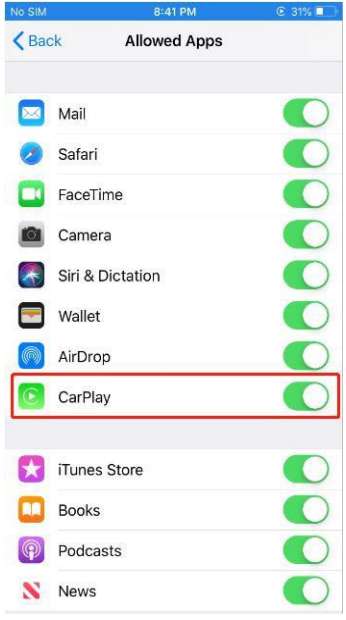


How to Disable Apps

Using your iPhone:

Settings >Screen time > Content & Privacy Restric

> Allowed Apps > CarPlay



Wired and wireless Android Auto

Using Android Auto

NOTE

Android Auto usage is limited while driving.

Functions, contents, and usability is determined by the App provider(s).

Controls will vary with each App that is available for Android Auto.
